HB3838

I strongly oppose bill HB 3838. It will greatly affect the future of my small care home and the vulnerable residents I serve. Please oppose the bill altogether or consider excluding adult foster care homes. Adult foster care homes are small businesses and in a time when small businesses are already struggling to continue, we need more support and less strain on our businesses. The quality of care and overall ability to continue to running our businesses will be severely impacted by this bill making it extremely difficult to continue running our businesses and therefore impacting the people we serve. Please oppose this bill.
