On Behalf Of:	Measure HB 3838
Committee:	House Committee On Rules
Measure, Appointment or Topic:	HB3838

My Name is Aaron Cain

Am writing to you as a part of a dedicated community of over 1400 providers who care deeply and provide care for elderly disabled residents in our community. We urgently need your help to stop a very harmful bill- HB 3838.

I request you to vote NO on this legislation as it poses a significant threat to Oregon Adult care Homes industry. These homes are homes away from home for so thousands of vulnerable seniors and individuals with disabilities. My mom benefited from such home for several years when she really needed care that we could not provide as a family.

I urge you to protect the future of this homes by voting No.
