

Submitter: Susan Hornung
On Behalf Of: HB 3187 A-Eng.
Committee: Senate Committee On Labor and Business
Measure, Appointment or Topic: HB3187

I support HB 3187 A-Eng. All workers should be judged on their abilities and not on their age. With this bill older workers would have a better chance to interview and share their experience rather than being eliminated by birth date.as being too old. Many of us have experienced this in the workplace.
