

Submitter:

Loretta Crow

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB3940

Please keep our bottle drop program. It keeps so much litter off the sides of our roads and in our natural parks and areas. It also helps many of us that pick up aluminum cans and glass bottles for cashing in at bottle drop centers. We help keep our local park clean and save money for groceries at the same time. Besides, the bottle drop program doesn't cause wildlife!
