Measure, Appointment or Topic: HB3190

hi,

we urge you to support HB 3190A....

too many buildings have been demolished and history is being erased...

we support what restore oregon says regarding this...

we observe many buildings sitting empty and being neglected, and to help them live on and be a part of a town is great...

"We enthusiastically support HB 3190A, which reauthorizes a version of Oregon's longtime Special Assessment for Historic Properties program. The program will help many struggling, vacant, or underutilized commercial properties in every community in our state."..

thx so much
