

Submitter: Sally Hollemon

On Behalf Of:

Committee: Senate Committee On Labor and Business

Measure, Appointment or Topic: HB3187

I just read in the newspaper that people over 55 are now the fastest-growing group of people becoming homeless. Many older people need to work in order to support themselves, and those who are able to work should not be prevented from doing so by their age. So I support HB 3187 A-Eng. to require that people must get an interview so they can show they are able to work before being asked their age.
