

Submitter:	Robert Crunkilton
On Behalf Of:	HB 3932
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	HB3932

I support HB 3932 . I have seen the watershed improvement measures that the reintroduction of beavers produce on downgraded watersheds. The trapping of beavers to provide fur has no value to the humans or environment. Beavers provide an important environmental benefit at little or no cost.
