

Submitter: Alton Roundy

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: HB3932

As a resident of Eagle Creek I enjoy access to multiple spots for aquatic recreation and have been an ONDA supporter for years. I would do all in my power to preserve our rivers and streams are safe, accessible and as close to their native condition as possible. Please pass this legislation and preserve our habitat.
