

Submitter: Jody Newland

On Behalf Of:

Committee: Senate Committee On Education

Measure, Appointment or Topic: HB3624

I ask you to oppose HB 3625 A as written. This bill is not good for homeschoolers who value their freedom. It takes away the freedom of homeschoolers to choose the time, place & manner of testing that is best for their families. We don't need the taxpayers to have to fund testing for our kids. When we chose to homeschool, we chose to take the financial responsibility for educating our children.

Please protect our freedom, and vote NO on this bill.

Thank you,

Jody Newland
