

Submitter: Brandy James

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or Topic: HB3932

I would like to strongly urge the committee to at least consider ODFW's data on this matter, managed harvest has not threatened a species in Oregon in the 58 years I have been an Oregonian. Please don't let sentiment and emotion become the standard by which we manage wildlife.

ThankYou

Brandy James
