

Submitter: Sue Craig

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or SB777
Topic:

This Bill would cost Oregon money that should be used elsewhere. There are better ways to make sure that livestock are protected with present methods, from wolf predation.

We need a better bill and a better way to make certain that present methods are followed and if so, that present reimbursment funds are allocated wisely.
