Measure, Appointment or Topic: SB916

Vote no on SB916A There is nothing good in this bill. Every taxpayer knows that unions own the politicians, and this is nothing more than another feather in labors' comfortable bed.

FDR wrote in 1937 "All government employees should realize that the process of collective bargaining, as usually understood, cannot be transplanted into the public service".

He also followed up with : . . . a strike of public employees manifests nothing less than an intent on their part to prevent or obstruct the operations of Government until their demands are satisfied. Such action, looking toward the paralysis of Government by those who have sworn to support it, is unthinkable and intolerable".

Pretty clear, from a Democrat. Vote no on SB 916-A
