On Behalf Of: NAV
Committee: Senate Committee On Human Services
Measure, Appointment or Topic: HB3224

De-criminalizing criminals so they may apply for a critical job, then letting them slip through the cracks, which Oregon government has plenty of, is a danger to those served by employees that must reach the highest standard. This bill also allows for too much 'personal preference' to creep into the process.

Vote NO on HB 3224-A
