

Submitter: Shelby Staffenson

On Behalf Of:

Committee: House Committee On Behavioral Health and Health  
Care

Measure, Appointment or SB951  
Topic:

I strongly oppose SB951A. We need to keep the current multi-ownership model that we have today to maintain the broadest patient access to outpatient care and protect clinics from closure. We don't want to see less healthcare choices in Oregon nor do we want increased costs and wait times for appointments. Please vote NO on SB951A.
