Keeping testimony short and sweet (that thing SB 1098 isn't even close to being).
It isn't just about AUTHORS don't put misleading information out there!
It's another take it away from parents action (you know like bill 2002)!
It justifies pedophiles, indoctrination and grooming!
We are finding PORN in our schools! It's so bad it can't be read in school board meetings or on House/Senate Floors (our Reps and Sens have Virgin ears)! But it's perfectly fine for our children to read?
I'm absolutely APPALLED and DISGUSTED that this F'n bill ever could have been introduced!
If you have children in your lives...vote NO on this bill! Allow them to be children for God's sake!
I OPPOSE!
