

Submitter:

Carol Kracht

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB3940

HB 3940 ; I oppose this measure as written as it will hit lower income families hardest in a time of high food costs as it is and adds another layer of hidden 'taxes' . Keep working on better ideas to fund firefighting by being more fiscally responsible with the budget we currently finance. Thank you.
