Measure, Appointment or Topic: HB3054

To the Senate Committee on Housing and Development,  
Hello, my name is Mary Griffith . I am in my 80's and I live in a manufactured home park. I am writing in support of HB 3054A. I live on a limited income and the rising lot rent has limited what I can spend on my groceries and personal needs. I don't know how much longer I will be able to stay in my home. I have a strong faith in God and he has always provided for me and I hope he can pull me through these difficult times to be able to remain in my home and community. I don't see the Park being maintained as it should be. Promises are made and not kept. The big corporation that owns my park is too greedy and is taking advantage of older people. I thank you for all of your hard work and encourage you to support HB 3054A.

Thank you,

Twin Cedars Mobile Home Park # 58.
