

Submitter: Josh Clements

On Behalf Of:

Committee: House Committee On Education

Measure, Appointment or Topic: SB1098

Items in my local library are constantly under attack by a certain few people. As a parent I want my child to be able to find many subjects at our library, even ones that I or my children disagree with as these provide opportunities for us to grow. I believe this bill will help keep more items in our libraries and I support those efforts
