

Submitter: Josh Hystad

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment SB947
or Topic:

I oppose this bill as it distorts the true meaning of militia as outlined in our constitution and severely infringes on our constitutional rights both state and federal. The fact this bill is being pushed raises great concern as to what the true intentions are of our state government. It's the job of our elected officials to protect our constitution not trample on it !
