Measure, Appointment or Topic: HB3054

My name is Sandy. I'm 86 now. My husband and I moved into our manufactured home in this MHPark many, many years ago. Later my husband died in 2012... and I've been living alone since then.

I want to share my perspective:

I love this park and feel like people care and are friendly.
It just seems like the owners want more and more. If we were a bunch of old, bad people living here and didn't care...but we're trying to do our best.

We moved here to enjoy the rest of our lives. I like my little abode. I'm completely satisfied...but rent keeps going up quite a bit and I have other bills to pay.

How can we say STOP this?
Where would I go?
Some people have family.
At 86 I've outlived my big family.

Please help keep us in our homes by doing the right thing...
Thank you,
Sandy
