Measure, Appointment or Topic: SB947

Dear House Committee on Emergency Management, General Government, and Veterans,

I strongly oppose SB 947. I believe that if each Oregonian (including each one of you in Salem) had a real understanding of US history and why our Founding Fathers meticulously crafted such a well written Constitution, this bill would never be considered/brought forward. It is not only our federal constitutional right, but our state constitutional right to be able organize such militia when and if the situation deems it necessary. Changing the wording and giving control to the governor makes us closer to a dictatorship. Please stop messing with our Constitution rights. Vote no on SB 947.
