Committee: House Committee On Labor and Workplace
Standards

Measure, Appointment or
Topic: SB916

I strongly oppose SB916. A voluntary act to go on strike should not be rewarded with being able to collect unemployment. This completely contradicts what unemployment insurance is for. This also would put unions in a more favorable position. Businesses would face higher unemployment insurance premiums once again making it much harder to stay in business. Please do NOT pass this bill. Vote NO on SB916.
