HB3940

I strongly oppose HB3940. This bill contains so many new taxes. It is a disservice to wrap up all these unrelated taxes into one bill. Also, enough with all the taxes on beverages. The real problem is the lack of forest management that leads to all these big wildfires. After the huge budget increase last time, how is there no money set aside for wildfire prevention? Please do NOT advance this bill. Vote NO on HB3940.
