

Submitter: Doug Sarver

On Behalf Of:

Committee: Senate Committee On Health Care

Measure, Appointment or Topic: HB3824

I fully support PTs being able to perform dry needling in OR. I moved to OR nearly 3 years ago from CO where I performed dry needling for 6 years. Not being able to provide this service to my patients here in OR is unfortunate to say the least. PTs are more than qualified to perform the service safely and effectively.
