

Submitter:	Nicole Wydra
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	HB3932

Hello,

Our state animal is the beaver. We need to do more to protect this animal that means so much to our environment. With increasing stressors on our ecosystems it's important for these amazing and beneficial animals to be allowed to do what they do. All of us who grew up in Oregon know how special it is. Please help save it by protecting it's native animals and where they live.

Thank-you
