On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee On
Capital Construction

Measure, Appointment or SB5506
Topic:

Please support SB 5506

SB 5506 directs bond revenues to pay for:

Building new affordable homes for rental and homeownership through the LIFT
program: \$700M and \$100M, respectively

Building new units of permanent supportive housing: \$80M

It is essential to increase the amount of affordable housing in Oregon.

Thank you for your service in the Oregon Legislature.
