

Submitter: Darlyne Reising

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or Topic: HB3932

Beavers will be extraordinarily helpful under the circumstances of the bill and will save the state money. The water in these streams will get cleaner and this is better for people and other wildlife. Beaver deserve to live as they are so helpful to people and to the environment and because they are creatures with whom we share the planet. Thank you
