

Submitter:	Bill Hull
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	HB3932

As a member of ONDA and an advocate of stream restoration I support HB 3932. I've seen first hand what bringing beavers back to a stream that that has been degraded can do. Water quality, fish habitat plant life and cooling water and ground temperatures all improved. Please support this bill.
