Please don't change Oregon's bottle bill. For the last five years I have used our bottle returns to deposit money into my children's Oregon College Savings Plan. This happens automatically, thanks to the state of Oregon facilitating this funds transfer. Not only have we saved extra money for college over this time, my children have learned the value of saving.

I would be very sorry to see this opportunity to save money for college go away..Please keep the bottle bill the way it is.

Sincerely,

Heather
