Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment SB947
or Topic:

I am very distrustful of the motivation for and the necessity of changing and modifying our State Constitution. It's disturbing to me that our Legislature seeks to change verbiage and wording in such an important document. Why change? Does it provide some advantage to creating legislation that may be otherwise Constitutionally unsuccessful. Please drop this bill and leave the word Militia unchanged.
Thank you for allowing me to testify.
