

Submitter: Kevin Faught

On Behalf Of:

Committee: Senate Committee On Health Care

Measure, Appointment or Topic: HB3824

I strongly support this bill. Physical therapists undergo years of very intensive training and rigorous certification, most states recognize this and allow PTs to provide the care that their training fully qualifies them to do without added cost to patients in referrals from MDs. This bill would benefit Oregonians in their ability to obtain health care without hinderance.
