Committee: Senate Committee On Finance and Revenue  
Measure, Appointment or Topic: HB3190

I urge you to pass HB 3190.

Oregon is a state with towns and cities whose central districts still retain many old commercial neighborhoods. This bill will offer needed financial aid to preserve the character and liveability of these central cores and local main street commercial centers that create sense of place and local pride. Maintaining these main street characteristics generates jobs and enriches local culture.

Thanks much,
