

Submitter:

Susan King

On Behalf Of:

Committee:

Senate Committee On Education

Measure, Appointment or Topic:

HB3365

I oppose HB 3365. OREGON IS NEAR THE BOTTOM OF THE LIST FOR TEACHING OUR CHILDREN HOW TO READ AND WRITE AND DO MATH. MY GRANDSON CAN BARELY WRITE. LET'S GET BACK TO ACADEMICS. CLIMATE CHANGE IS NOT SCIENCE. WE SHOULD BE NUMBER 1...WE ARE # 40. ASHAMED OF OREGON.
