On Behalf Of: American public  
Committee: Senate Committee On Rules  
Measure, Appointment or Topic: SCR32

Honorable Chair and Committee Members,  
I oppose SCR32

AMERICA is at WAR with China, not of our choosing, but because of China's choice.  
It is an unconventional war, BUT one that China delcaired against us.

They have taken advantage of our trade with them. Our country is imposing Tarriffs  
on them. We should not be against our own countries policies.

Our devotion should be to focus on developing relationships to our fellow states, and  
friendly nations who seek our mutual good.

THE MEMBERS OF THIS BODY SHOULD AFFIRM THEIR OATH TO OUR  
COUNTRY...NOT CHINA! THEY SHOULD SUPPORT OUR PEOPLE, PRESIDENT  
and thus OUR STATE AND NATION.

THANK YOU!

Janice Dysinger
