

Submitter: Galen Nolt

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: HB3932

It is very important to manage beavers correctly using research done in the past by area officials that have had problems with them. Do not stop the taking of all beaver or you will have serious problems with them over populating and causing damage to tree's and flooding low lands and roadways.
