Committee: House Committee On Revenue

Measure, Appointment or Topic: HB2977

Dear Chair Nathanson, Vice-Chair Reschke, Vice-Chair Walters and members of the Committee,

I am writing to urge you to support HB 2977, a bill to secure long-term, dedicated funding to recover Oregon's most imperiled fish, wildlife, and habitats. Oregonians value the diverse wildlife and habitats in our diverse state. We enjoy the opportunities for relaxation and recreation away from city centers. This bill is only 1%- in a time of economic uncertainty in our state and nationally, 1% is not a big ask. This 1% can protect up to 300 species and 11 habitats of conservation concern.

Please vote yes on HB 2977.
