Measure, Appointment or Topic: HB3054

As a retired couple we live in a mobile home and pay \$ 1200.00 a month in park rent.

We have seen park rent and fees increase every year, averaging 10%.

We cannot express our support enough for the passing of this legislation.

I'm sure we are not the only retired couple facing financial hardship and possibly being

displace in the future if this legislation fails to pass.

With the current state of our economy and the rising cost of all goods and services, not to mention the barrage of

local tax districts requesting a tax levy. It's awfully scary to think we could be homeless in less than 5 years in our mid 70's.

Please, please support this bill and stop the displacement of many Seniors on fixed incomes!

Respectfully submitted,

Martin & Christine Martinez
