

Submitter: Katelyn Gaskill

On Behalf Of:

Committee: Senate Committee On Health Care

Measure, Appointment or Topic: HB3824

I strongly support HB 3824A/dry needling practice. Physical therapists are highly trained professionals who have safely and effectively provided dry needling as part of their practice in the past. Not to mention, HB 3824A ensures continued access to this essential therapy and supports patient-centered, evidence-based care in Oregon.
