

Submitter: Jackson Lewis

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: HB3932

Beavers need all the protection they can get due to the immense, beneficial impact they have on their environment. I have seen it first hand in all my travels throughout the entire state of Oregon where I was born and raised. Beavers have changed and restored hurt ecosystems that we humans and many other organisms depend on.
