

Submitter: Shannon Sheffert

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or Topic: HB3932

Please do not pass this proposed bill to stop beaver trapping. This beaver trapping ban will be a detriment to wildlife management as land managers will not be able to control nuisance beavers doing damage to trees and watersheds. You should follow sound wildlife management practices that are suggested by the Oregon Wildlife Department.
