HB2977

Dear Chair Nathanson, Vice-Chair Reschke, Vice-Chair Walters and members of the Committee,

I am writing to urge you to support HB 2977, a bill to secure long-term, dedicated funding to recover Oregon's most imperiled fish, wildlife, and habitats.

Oregon is an incredibly special place; home to a diverse array of flora, fauna, and the habitats that support them. Unfortunately, climate change, development, and other natural and human-made impacts put their future at risk.

With the Trump administration slashing and burning its way through federal funding of conservation efforts, it's now up to states to step up and protect what they value.

Please support "1% for Wildlife" by passing HB 2977 today.

Sincerely

Charles MacEachen
