Hi there,
Here I am writing to OPPOSED to any other professions asides from acupunctures to do dry any needle insertion.
As my experience, needle insertion to the Human body required serious training and deep knowledge background, it is not PT were trained compared to acupuncturists took 3-6 years study on this.
please be acknowledged that only allow the professinal triained acupuncturists to do this to protect the Healthcare system.

Best,
Chia
