

Submitter:

Devan Torbert

On Behalf Of:

Committee:

Senate Committee On Health Care

Measure, Appointment or Topic:

HB3824

My name is Devan Torbert. I oppose HB3824. Physical therapists should not practice acupuncture without the same 2,000 hours of education required of licensed providers. I strongly encourage a NO vote. Physical therapists being able to insert needles and practice acupuncture without 2,000 hours of education is dangerous to patients. Vote No on HB3824.
