

Submitter: Judy Pond

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB3190

Members.

Why do we still have the Roman Coliseum or Independence Hall? Past generations could have torn them down...but, they decided there was value in these structures. I support HB 3190A for what it can help preserve for the future generations. It is easy to tear down but, to preserve needs care, nurturing and resources. This bill will help what needs to be saved and not forgotten.

Sincerely
Judy Pond
