

Submitter: Mary McCord

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or Topic: HB3932

I am a member of, and volunteer for, the Oregon Natural Desert Association (ONDA). As an ONDA volunteer, I have participated in riparian restoration projects which encourage beaver to build dams in Oregon rivers and streams and have seen firsthand what beaver do to improve water quality. Living in Central Oregon as I do, I am acutely aware of the need to preserve the quality and quantity of the water in rivers and streams in the high desert and throughout Oregon. Please support HB 3932. Thank you.
