

Submitter: Craig Nicholson
On Behalf Of: Small Forest Owners
Committee: Senate Committee On Finance and Revenue
Measure, Appointment or Topic: SB485

My wife and I are Small Forest Owners (SFO's) with 20 acres in forest land. We would like to be able to maintain the forest as a family tree farm and SB 485 with the 2 amendments would support that objective, so that it can pass to our children in perpetuity.
