Committee: Senate Committee On Rules  
Measure, Appointment or Topic: SB243

I oppose SB 243 because it is in fact punitive and onerous for those law abiding gun owners who want nothing more than to exercise their inalienable 2nd amendment right. I feel that the primary parties involved in this should have their finances audited for any sudden huge influxes of cash. Michael Bloomberg and his anti-gun groups were wholly responsible for Colorado's recent signing of HB 25-003, the extreme anti-gun and unconstitutional gun bill. And you know he is behind SB 243. Opposing SB 243 is the only course of action. Send a message Floyd Prozanski and James Manning Jr. that we are not playing your games.
