

Submitter:

Thomas Long

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB243

This is unconstitutional, useless, and yet another attempt by the anti-second amendment extremist democrats to over regulate gun shops out of business. The people who proposed and vote yes on this bill and all other gun control laws need to be tried for conspiracy against rights and sentenced to at least 20 years in prison for subverting the 2nd amendment!
