Measure, Appointment or Topic: HB3054

To the Senate Committee on Housing and Development:

I'm 84 and 1/2 years old and live at Twin Cedars Mobile Home Park. I have arthritis and heart problems and take medications for both ailments. I also take other prescription and over the counter medications to be in the best health at my age. Besides the high space rent and all of my medicines, I have three dogs that require medications also. I only have a few pennies left over each month after bills are paid. I feel for the many neighbors in this park in the same situation. We need your help! . I strongly encourage you to support House Bill 3054A.

Thank you,
Tarrell L. Carrier
