Measure, Appointment or Topic: SB243

I oppose Bill 243 and I strongly suggest that you throw this bill out. This will do nothing to help stop gun violence in any manner. Guns do not commit violence people do. The solution to the problem is simple start holding people accountable for their actions start having stricter sentences for those people that commit crimes using guns. All this bill will do is help the criminal The criminal does not follow laws and never will. The only thing this bill does is restrict the law-abiding citizen of their rights to carry and to help out there fellow citizens. Because of all else I am a law abiding citizen and I will follow the laws of this great state of Oregon. Please I ask you to reconsider sending this bill.
